

Prioritizing Your Safety

Here at the Miyako Hotel we continue our commitment in prioritizing our guests' safety and health. Our staff vigilantly keeps all public areas and rooms of the property sanitized and constantly monitor for anything that may affect our guests' stay. Check out the ways we are keeping everyone safe.

328 East 1st St. | Los Angeles, CA 90012

Sanitizer Stations

Contactless and available at all access points, in the elevators, and at the front desk.

Public Areas

The lobby, elevators, front desk, hallways, and anywhere people may travel are consistently cleaned and sanitized throughout the day.

Guest Rooms

We use safe disinfectants with particular attention to high contact items such as door handles, telephones, and light switches. Alcohol wipes are provided in each room.

Masks Recommended

To protect both hotel staff and guests, we encourage all guests to wear masks while in the hotel's public areas.

Keeping Guests Informed

An up to date notice board at the entrance informs guests of the current Los Angeles guidelines.

Trained Staff

Our staff are trained to follow Covid-19 protocols, and will assist guests with any questions on Covid-19 guidelines at the hotel and in the area.
